About Plastinfo

Plastinfo is Russian leading information services for the Plastics Industry.

We offer premium business and research content in a unique combination with powerful databases and search tools for finding industry-related information.

We are committed to delivering up-to-date information of the highest possible quality and value to our readers. The contents are actively managed on a daily basis by our editorial staff.

Plastics makers and opinion leaders from within the industry rely on the information services provided by Plastinfo for their daily work.

Newspaper Twice per month

Key news, reviews, comments, prices, analytics

In cooperation with Kunststoff Information Verlagsgesellschaft mbH

Buyer's Guide

Ratings and contacts of raw materials and equipment suppliers

Internet portal

Daily news, marketplace, labor exchange, articles and reviews, on-line catalog, Polymer price index

Polymers prices

Monthly Newsletter:

- Monitoring the prices of polymers
- Monitoring import and export of polymers

Market reports

Plastics industry market researches, reviews and data bases

Literature

Reference books and educational aids for plastics processing
